hospital link

a better journey to health

Service 333 runs between Perth Royal Infirmary and Ninewells Hospital in Dundee, offering a direct connection between the two hospitals. Operating hourly on weekdays and every two hours at weekends, **hospital link** offers fast, convenient travel between these two locations to patients, visitors and NHS Tayside staff.

The service is operated by state-of-the-art low floor buses which are suitable for wheelchair users. The buses are fitted with green environmentally-friendly engines which reduce emissions and CCTV cameras which help ensure maximum passenger and driver safety.

The service is funded in partnership between NHS Tayside, Perth & Kinross Council and the Scottish Ambulance Service. It is operated by Stagecoach.
